

Application for Membership of the German-Australian Genealogy & History Alliance

We, the undersigned organisation, wish to be listed as a Member of the German-Australian Genealogy & History Alliance, and agree to support the following mission, vision and commitments of the GAGHA where they do not conflict with the aims and capabilities of our organisation.

Mission

To identify, encourage, contribute to and disseminate research and resources relating to the history and heritage of German-Australians

Vision

A vibrant and supportive community of researchers of German-Australian genealogy and history

A robust and open forum for discussion of current and existing research

An accessible repository of research and resources

A public appreciation of Australia's German heritage

Commitment

As a Member of GAGHA we agree to:

- share research and research strategies as freely as possible
- help develop working relationships between organisations and individuals
 - contribute to a central catalogue of research and resources
- actively promote the field of German-Australian genealogy and history research and the work of the Alliance in co-operation with other Members
